

National Temporal Bone Course

Newcastle Surgical Training Centre

28th June 2024

COURSE DIRECTOR:

Mr Philip Yates
Consultant Otolaryngologist
Newcastle Upon Tyne Hospitals

TARGET AUDIENCE:

ST3 – ST8

You will have the opportunity to perform supervised temporal bone basic and advanced procedures.

Progression through the dissection will be performed under the close supervision of trainers and paced at an appropriate level to the participant. The extent of dissection and other procedures, carried out by each individual trainee will be tailored to their level of experience.

SPECIAL FEATURES:

This is a one day course designed to provide a competency based approach to anatomical temporal bone dissection. Teaching is through cadaver dissection and you will have hands on practical dissection on a fresh frozen temporal bone.
