young professionals
CONNECTING

The educational platform of the **Confederation of European Otorhinolaryngology – Head and Neck Surgery**, dedicated to advancing ORL-HNS education across Europe.

Supporting **lifelong learning**, clinical excellence, and the next generation of ORL-HNS specialists.

CURRENT PRACTICE IN ORL-HNS

An intensive, interactive course
designed for modern ORL-HNS practice.

- case-based learning
- expert European faculty
- clinical decision-making
- practical discussions
- examination preparation

30 representative clinical cases
1.5 days of interactive education
Participants from across Europe

MORE THAN A COURSE

The CEORL-HNS Academy is a place to:

- learn from leading European experts
- exchange ideas and experiences
- build an international professional network
- create friendships that last throughout your career
