

virtual GLOBAL GRAND ROUNDS

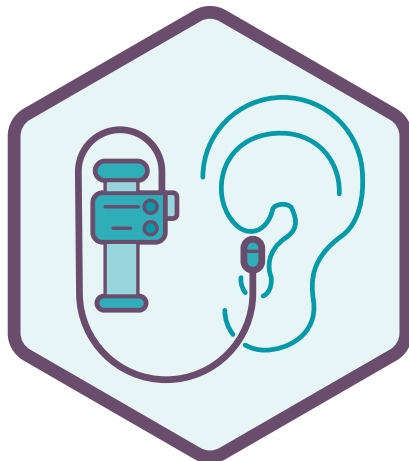

GLOBAL PERSPECTIVE ON ENDOSCOPIC EAR SURGERY

NOVEMBER 11, 2023 | 9:00 - 10:30 AM (ET)

The American Academy of Otolaryngology-Head & Neck Surgery Foundation (AAO-HNSF) invites you to attend **Global Perspective on Endoscopic Ear Surgery**.

Cosponsored by the Confederation of European ORL-HNS (CEORL-HNS).

Topics for discussion include:

- Endoscopes in Otology - From Office to OR
- Minimally Invasive Endoscopic Approaches to Lateral Skullbase Lesions
- Role of Endoscopic Ear Surgery in Function Protection: Safeguarding Facial Nerve Function and Endoscopic Diving Technique for Hearing Preservation in Managing Labyrinth-invading Cholesteatomas
